

CHAPEL ROYAL HAMPTON COURT

**SERVICES FOR SEPTEMBER AND
OCTOBER 2020**

WELCOME

WELCOME to Her Majesty's Chapel Royal, Hampton Court Palace for this service, and to a continuous tradition of worship that has been practised on this site for at least 800 years. This is one of the Queen's Chapels, and as such, not a parish church.

As with all other churches, choral services were suspended in March due to the Covid-19 epidemic. Whilst the Chapel worship continued, new ways had to be found to engage with the congregation, including remote recording of music. Since July, when public worship was again permitted, music has, in a reduced form returned to the Chapel.

Gradually, the Chapel is tentatively returning to a sense of normality, but this will not be an immediate process. It is a delight that we can resume choral services this term, but they will initially involve only the Gentlemen, and for this half of term will not include Evensong each week. This will (God willing) re-start in November, when the Chapel staff have returned from furlough.

Congregational singing is still not permitted and face coverings must be worn inside the Chapel except when receiving communion.

Please also note that the midweek eucharists are also limited until the beginning of November due to staff furlough.

Please be aware that Government Guidelines may change at short notice. In that event, we will maintain up to date information on the Chapel website and social media
